

R E P O R T

on the work accomplished under the project 213871-CP-2-2002-1-BG-ERASMUS-TN “EUROPEAN COMPUTING EDUCATION AND TRAINING”

- A detailed WORKPLAN for 2002/2003 has been worked out;
- A proposal for financing the TN ECET in 2003 / 2004 has been prepared;
- A continuous link with the network partners and the SOCRATES Head Office in Brussels has been established and maintained;
- The WEB site of TN ECET is continuously updated. All developed materials are uploaded on the project web site on time for discussion;
- Comparable curricula for the Master degree of Computer Science, Computer Engineering, Software Engineering, Information Systems have been elaborated;
- Using the Forum of the WEB site a virtual discussion of the Comparable curricula for the Master degree has been accomplished;
- A model of a comparable syllabus has been elaborated, which was also discussed virtually;
- At the moment the syllabi of the Bachelor comparable curricula are being developed;
- Work is currently being done to extend the feature of the Virtual Centre for Preparing WEB based Courses;
- The Spring Conference in Computer Graphics has been conducted. Unfortunately the involvement was very humble;
- CompSysTech'2003 conference has been conducted with the participation of 30 members of the TN consortium;
- The government and the public in Bulgaria have been acquainted with the goals and the tasks of TN;
